Pediatric Symptom Checklist (PSC-17)

Emotional and physical health go together in children. Because parents are often the first to notice a problem with their child's behavior, emotions or learning, you may help your child get the best care possible by answering these questions. Please indicate how each of these statements best describes your child.

| | 0 | 1 | 2 | Score |
|---|--------------------------|-----------|-------|-------|
| | Never | Sometimes | Often | |
| 1. Feels sad, unhappy | <input type="checkbox"/> | | | |
